JULY 2019

We build our guitars and basses by hand on the basis of your needs. Please fill out this list of specifications for your custom Deimel Firestar Bass order. If you have any questions or you have ideas that are not listed, just contact us via e-mail at info@deimelguitarworks.de. We will get back to you as soon as possible! We can also arrange a Skype or Facetime call in order to answer all your questions and guide you through your order.

Once both of us have determined the main specifications, we will send you an official order confirmation and ask for a 40 % deposit in order to start the build. All prices stated are without German VAT. If you are residing outside the EU or you are holding an EU VAT business number, no German VAT applies.

A personal hashtag will allow you to follow the building process of your bass via Instagram.
