We love to build guitars and basses one by one on the basis of your wishes and needs. This price list is a reference for the great amount of options we offer, but we can do more. If you still can't find what you are looking for, don't worry. If the amount of options is too overwhelming, don't worry.

We want you to get the Deimel guitar or bass you have been dreaming of. You can either fill out this list of choices for your custom Deimel Doublestar or Singlestar order or just contact us directly via e-mail at info@deimelguitarworks.com . We can arrange a phone or video call in order to answer all your questions and guide you through. OR you tell us what music/sound you would like to play with your guitar and we make suggestions!

Once the main specifications are determined, we will send you an official order confirmation and ask for a 40 % deposit in order to start the building process. All prices stated are without German VAT. If you are residing outside the EU or you are holding an EU VAT business number, no German VAT applies.

With your personal hashtag you will be able to follow the building process of your guitar via Instagram.

Frank + Kora

Working on a guitar finish is a manifold and delicate process that requires expertise and time. Frank dedicates his love and passion to each instrument. Colors can change based on choice of wood, grain filling, grade of opacity and choice of finish. You are very welcome to talk to us about any ideas you might have for the finish of your custom Deimel instrument.
